

# BALA BHOOMI

Sri Bala Vidyalaya

Apr-Aug 2019

## FOUNDER

Dear Parents,

I am extremely happy and proud to introduce Sri Bala Vidyalaya's Quarterly Newsletter Bala Bhoomi to all of you and our dearest students. This is an attempt to acknowledge the efforts the students and the teachers put together every day to bring the best out of our school. It is equally to appreciate and celebrate the journey of our students in terms of their academic and overall growth. I would like to thank you all from the core of my heart for trusting us with your children's education and handing over the responsibility of their overall development.

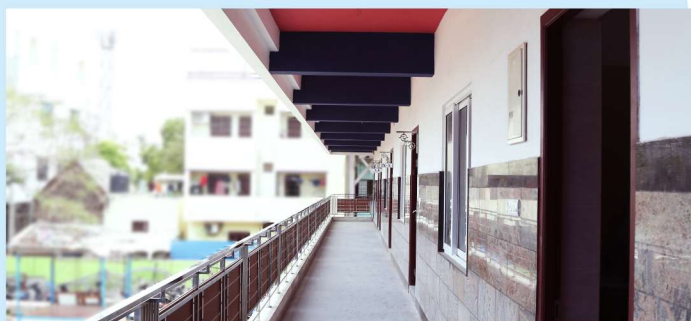

In this edition of Sri Bala Vidyalaya's Quarterly Newsletter, I would like to talk about the importance of inculcating new learning techniques to help students grasp things easier, faster

and better. The world is upgrading every day and we understand the importance of this transition. It is important to prepare our students in a way that they are able to match the pace of the evolving knowledge sphere. To make sure that our teaching approach and methodologies are aligned with the same intent. We incorporate different techniques to enhance our students' learning experience. The foundation years are very critical for any child and we make sure that we help children understand the basics of all subjects right from the beginning. We constantly try to engage our students in a way that they enjoy their time in school learning and growing intellectually.

I truly believe that children are equally capable and talented in their own ways. As the Founder of this school, I ensure that all of us as a team, provide the best of our support and guidance to all our students and help them bring out their best potential and become the best version of themselves. Let us encourage our children to build a better tomorrow!

## Highlight of 2019

### INFRASTRUCTURE

SBV inaugurated seven spacious classrooms, newly built boys & girls washroom (ground floor) and spacious labs.

### K.G CAMPUS

The joy at SBV was doubled this year when the K.G campus was shifted to the main campus.

## Dear Strong Pillars,

- Spend some time with your children chatting about their day at school
- Encourage your children to learn, not just score
- Enroll your child for a hobby class they are interested
- Take out sometime to play a sport with your child at least once a week
- Assure your child that they can confide in you no matter what
- Try to inculcate the habit of reading in your child; it could be any subject or topic of their choice
- Support your child in every effort they are making to make you proud
- Appreciate their efforts and celebrate their achievements

## Inter School Kho-Kho

The SBV girls team bagged the runner trophy at a tournament organised by Shri Sanatana Dharma Vidyalaya Association.

## Hattrick Victory of SBV

Throwball Team, Kho Kho Boys & Girls team bagged the Runner trophy in the "Believe You Can '19" Inter-school tournament hosted by St. Britto's Academy.

## Small Hands Welcomed Home!

An important element counted among the quality of SBV is the infrastructure. As we indulge with small kids, we use baby proofing products like door jammer stopper, door guard, toddler-sized tables & chairs with no sharp edges. The tiny tots learn more when they play & observe around them. This being the main idea, SBV had set a colorful play area for the kids in the main campus.

GREEN DAY

RED DAY

CHAMP FEET

INDEPENDENCE DAY

# Phenomenal Celebration

## World Earth Day

A programme highlighting the growing need for bringing awareness among the SBVians to do our bit to save our Earth.

## World Health Day

A program reinforcing the importance of a balanced diet, food safety and universal health following WHO's theme "Health for all".

## Ramzan

Eid is all about sharing love and we at SBV were happy to see the bonding of children with their friends and teachers as they wished each other Eid Mubarak.

## Independence Day

Gaiety and Patriotic fervour marked the 73rd Independence Day celebrations at SBV to commemorate the sovereignty of our nation.

## House Own Day

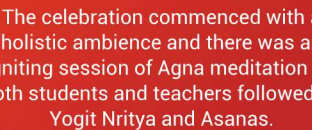

The four houses - Champions, Heroes, Legends and Scholars gave a divergent performance on stage. Every student was given an opportunity to bloom out their creative and imaginative talent.

## Commemoration Day

SBV paid tribute for the great personality, the Missile Man of India Dr. A.P.J Abdul Kalam where the students presented speeches on his achievements & performed a skit.

## International Yoga Day

The celebration commenced with a holistic ambience and there was an igniting session of Agna meditation for both students and teachers followed by Yogit Nritya and Asanas.

## Dear Sprouting Talents,

- Talk to your parents about anything which troubles you
- Ask them how to deal with something you find difficult
- Respect your parents for whatever they do for you everyday
- Create a daily routine to divide time for studies, playtime and family-time
- Spend some-time everyday playing an outdoor sport
- Learn anything you like, related to art, music, or something you are fond of
- Help your parents in the house-hold activities
- Study to learn, do not always stress over your marks!

## Parents Perspective

"There is a big difference between wanting the best for our children and wanting them to be the best". This made me choose SBV. It's been 8 yrs being associated with SBV. In spite of huge competition in school circles, our school steps out of the bubble to endure academic challenges of our students.

- Indumathi Umesh  
Parent of U. Sai Dheepika VI C

As working parents we are very pleased with the school. The Correspondent ma'am, Principal and teachers make themselves very accessible and very supportive. We are absolutely thrilled to have found an environment that is allowing our daughter to flourish and prepare her for her future education and extracurricular activities.

- V. Sriram & Dhanya Sriram  
Parents of Ashwitha Sriram VIII C

Eco Club

Tamil Club

## Club Activity

Club Activities supplement academics and give the students practical training which they require in day to day life. In our school various club activities are organized giving an opportunity to the students to display their talent.

Math Club

Hindi Club

Science Club

English Club

Social Club

## Students Spectra View

Our school Sri Bala Vidyalaya Sr.Sec.School is located in the mid of the city. The building of our school is as new as ever and well maintained. Teachers are highly qualified. They not only teach us but also guide us on how to be practical. Therefore, our school always shows an outstanding result. Our management maintains a friendly environment for the students, which help them in better learning. I love to be a part of this school and make my Alma mater feel proud.

- S.Jayasurya XII A

My school has laid down a platform for me to express my talents. It brings out my latent abilities and showcases it to the world and even I am transfixed to know" What I am". It is the place where I learn to dream and that's how I dream of returning to my alma matter after many years, not as student but as a chief guest. I learn to "Aspire and Achieve", I am taught to believe and to say to the universe that " I am Second to None". I am determined to become an IAS officer. My school has given me everything and I wish to return laurels to the school and I am proud in saying that "I am a SBVian".

- Sneha Menon XI
